

JUNE is bustin' out all over, keeping us busy as we slide into S U M M E R

ALL OF US HERE IN LAHAINA (which means "cruel sun") need no reminder that *June is here*, hot on the heels of the Memorial Day weekend. We'd know it anywhere -- JUNE, a time of joy and reflection for many families and also the time to crank up those ceiling fans - JUNE, bringing with it the last day of school, the first day of summer, graduations, King Kamehameha Day, mangos, Father's Day, June brides, and well, you name it.

Graduation Brings Families!

Our Preschool held its 34th graduation May 30, and both the Parish Hall and the Church were full with happy, excited parents, children, and helium balloons, and flowers.
