Last year the theme for the Stewardship Campaign was “Growing our faith through generosity and we put it into action to help people affected by the pandemic. We worked with Lahaina Baptist Church and West Maui Food Distribution, with donations from HIPPO and a food drive in October. We brought the joy of Christmas to a single father and his 3 kids. Jacob delivered Christmas dinner, grocery gift cards, wrapped gifts, and cash donated by church members.

The work is not finished. Many are still waiting for work or unemployment benefits. The roof on the church has fallen. Please help us to take care of God’s house and His people by bringing your fundraising skills, your grant writing skills, your technical skills, and most importantly your prayers.

Mahalo nui loa,
